

The Star of Bethlehem Fascinates

For millennia, believers, scoffers and the curious have wondered at the Biblical account of the Star. The Bible recounts unusual or even impossible astronomical events at Christ's birth. For many doubters, the account of the Star is easily dismissed as myth. For many believers, it's a mystery accepted on faith. But what happens if we combine current historical scholarship, astronomical fact and an open mind? Join the CSI team as they uncover the mystery this coming Christmas.
